DEAR VALUED CUSTOMER:

Effective with shipments June 5, 2017, the base price of round and hexagon Cold Finished Steel Bars will increase as follows:

3" & Under All Grades	\$2.00/Cwt.
Over 3" All Grades	\$2.20/Cwt.

This increase is in addition to any surcharges including, but not limited to, those for scrap, certain alloying elements and fuel as it relates to transportation.

Should you have any questions or require any additional information, please contact your Corey sales representative.

Sincerely,

A handwritten signature in blue ink that reads "Michael D. Laughlin".
