March 19, 2021

Effective with new orders received on Friday, March 19, 2021, Corey Steel will increase the base price on all grades, shapes and sizes of Cold Finished Steel bar by \$2.75 cwt. Confirmed orders on the books will be price protected if shipped by May 3, 2021.

This increase is in addition to any surcharges including, but not limited to, those for scrap, certain alloying elements and fuel as it relates to transportation.

If you should have any questions regarding this announcement, please contact your Corey Steel Company Representative.
